

## **A Separate Form 8111 must be filed for each DEQ Permit Number related to the production reported for the Mine Group**

Please complete Form 8111 using calendar year production information. Please respond completely to the information requested on this form, providing the county, legal description, and units produced in the spaces provided on the original forms provided by the Department. At least one Form 8111 must accompany each Annual Gross Products Report for your filing to be considered complete. **A separate Form 8111 must be filed for each DEQ Permit Number related to the production reported for the Mine Group.** If you were not assigned a DEQ Permit Number for this property, or you do not know your DEQ Permit Number, please contact the Department of Revenue at (307) 777-7983. Forms not complete may be returned and may be subject to penalty. Your return will not be considered officially filed until rendered complete.

Production Year: Indicate the production year reported in the space provided.

Operator ID: Enter the operator ID number (the 4-digit number beginning with a 9) assigned to you by the Wyoming Department of Revenue. If an operator ID has not been assigned to you, leave this box blank.

Taxpayer: Enter the taxpayer name in the space provided.

Mine Group Number: Enter the Mine Group Number (the 5-digit number beginning with a 9) assigned to your mine by the Wyoming Department of Revenue. If a Mine Group Number has not been assigned to this group, leave this box blank.

Mine Group Name: Enter the name of the Mine Group where the reported production took place.

DEQ Permit Number: Enter the DEQ permit number assigned to this mine by the Wyoming Department of Environmental Quality. **A separate Form 8111 must be filed for each DEQ Permit Number related to the production reported for the Mine Group.**

Mineral: Enter the type of mineral you are reporting on this Form 8111.

Report each county and legal description from which production took place during the calendar year, and enter the corresponding number of units produced from that legal description during the calendar year. Report only the calendar year totals for each legal description. Round all units from each legal description to the nearest whole number. Enter the sum of the units produced in the page total box.

You may also report the tax district which corresponds to each county and legal description reported, if you know it. If you do not know the tax district, you may leave the tax district box blank.

**A separate Form 8111 must be completed for each DEQ Permit Number related to the production reported for the Mine Group.** If there was no mineral production from a Mine Group during the reporting period, please indicate as such and return Form 8111 for c
