A credit is due when a wholesaler returns Wyoming stamped merchandise back to the manufacturer who then provides the wholesaler with an affidavit declaring the merchandise was received.

- Enter the Wholesaler License number
- Enter the business physical location address
- Enter the contact person's phone number
- Enter the amount of credit you are requesting: To calculate the credit follow the steps below:

Number of 20 pks returned X 0.60(tax) – minus less the 6% discount= total credit
2786 X .60 cents = 1,671.60
1,671.60 X 6% = 100.30
