Month and year (mmyyyy). If you are an annual filer report production for the entire year as December (12yyyy).

Enter the five digit Reporting Group Number assigned by the Mineral Tax Division.

Enter the proper Rate Code Identifier for the Reporting Group (see Rate Code Table). Form 2000 is used to enter the combined Rate Code total for a specific Reporting Group. Individual wells in a Reporting Group that qualify for well incentives must also be itemized on Form 2002.

Operators enter barrels sold, after deducting barrels taken in-kind. Take In-Kind interest owners enter barrels taken in-kind.

NOTE: For amended returns (Form Type 'A') report VALUES ONLY.

NOTE: A change in Rate Code requires BOTH an amended for the originally reported rate code and an original report for the new rate code.

NOTE: For amendments Total Tax Due is the replacement will not reflect previous tax applied to your account. Be sure to account for tax previously applied to your account prior to remitting the current payment.

I declare under penalty of perjury that I have examined this return and, to the best of my knowledge and belief, it is correct and complete.

Enter the gross sales value for the production period. Gross Sales Value includes all revenue relating to the production for the reported period, including tax reimbursements and all other revenue received or credited to all interest owners not taking in-kind and reporting on their own behalf, and including all Federal, State, or Tribal royalty owner's interest.

Enter the remainder of Gross Sales Value minus Exempt Royalty and Transportation.

Enter the value of the Federal, State, or Tribal Royalty exemption, if any, plus transportation "to market" costs which occur between the well head and point of sale for which you can produce invoices for verification.

NOTE: For amended returns (Form Type 'A') report VALUES ONLY.

NOTE: A change in Rate Code requires BOTH an amended for the originally reported rate code and an original report for the new rate code.

NOTE: For amendments Total Tax Due is the replacement will not reflect previous tax applied to your account. Be sure to account for tax previously applied to your account prior to remitting the current payment.
